Pharm D community is formed with an aim to enhance pharm D education and knowledge through electronic media. Our speakers are eminent professionals like Doctors, Doctor of Pharmacy & other health care professionals who guide Pharm D students, share the treatment guidelines, enlighten participants regarding the clinical practice and share their experience.

Vision

About Series

.....

Campaigning through the crisis, Pharm D Community is here with a Free E-certificate Webinar series on Clinical Neurology under the guidance of one of the eminent & highly experienced Neurologist of India-"Dr. Bindu Menon". Neurology related diseases are the most prevalent diseases Worldwide and also have a high Mortality rate thus having a basic understanding of them is essential to give patients the best treatment. Join us on this e-learning journey to get in-depth knowledge on Neurology.

Pharm D Community

In collaboration with
