Topic: Care Givers Intervention and Recap

Under guidance of: Dr. Bindu Menon

Coordinator: Ms Deepa Ramalingam 9963665543

Physiotherapist: Dr. Shalini 9642211600

Psychologist: Dr. Suresh

The most important session on care givers took by Mr. Suresh went on well. 17 care givers along with the patients attended. It's a great turn out. Suresh explained about the stress management among the care givers when their loved ones behavior changed. Also an exercise was organized for them. Following that a recap session was organized by Shalini, Physiotherapist. Maintaining medical diary was explained again and their importance also mentioned.
